

MEMORANDUM

DATE: October 6th, 2020

TO: Washington Association of County Officials Membership

FROM: Annual Conference Location Committee

SUBJECT: 2023 Conference Location Choices

On September 22nd the Conference Committee met to establish their top three choices for the 2023 Conference Location based off the RFPs they received from Conference Direct. The committee choose the following to present to the WACO Membership:

First Choice: Delta Hotel by Marriott in Seattle Everett

The Delta Hotel is the committees first choice because it is newly renovated, includes excellent service, and is willing to accommodate WACO's requests. WACO would be the only conference during our selected dates.

Second Choice: The Hilton in Bellevue

The Hilton at Bellevue is the committee's second choice because they offered WACO a great rate for the area, and would provide a fantastic space for the conference. However, it is a large conference space and thus WACO would not receive the same service as they would from a smaller venue.

Third Choice: Hilton Seattle Airport & Conference Center

The Hilton at the airport is the committee's third choice. Although they provide excellent staff, service and a convenient location, the nightly rate is very expensive.

The membership is responsible for voting for their top choice based on the following information:
