

## CONSISTENCY IN STANDARDS FOR VOTER PAMPHLETS

Lack of uniform standards for state and local voters' pamphlets causes confusion for candidates and campaigns. Legislative candidates whose districts cross county borders would benefit from consistent rules across counties.

### The Washington State Association of County Auditors (WSACA) are joined by all WACO members in seeking legislation to:

Create consistent standards and practices across counties for ensuring accurate and relevant information in pamphlets.

Add content-based restrictions to candidate statements and arguments for and against ballot measures in state and local voters' pamphlets.

Require appointed writers of statements for voter pamphlets to reside in the jurisdiction of that pamphlet.
