

**REINSTATING
OVERPAYMENT
REFUND THRESHOLD**

Changes to the Uniform Unclaimed Property Act in 2022 eliminated language that allowed County Clerks to waive refunds of under \$10 for court related overpayments. This created an issue where the cost to issue a refund (currently estimated at \$12 on average) exceeds the amount being refunded.

The Washington State Association of County Clerks (WSACC) are joined by all WACO members in supporting the Department of Revenue's effort to restore language to RCW 63.30 allowing the waiver of overpayment refunds under \$10.

This small revision will alleviate counties from a refund system that loses money on each transaction.
