The Washington Association of County Officials provides legislative advocacy, education and training opportunities, and day-to-day support on a wide variety of issues of importance to counties and to each of our over 270 members.

WHAT IS WACO?

The membership of the Washington Association of County Officials (WACO) are the elected county assessors, auditors, clerks, coroners and medical examiners, prosecuting attorneys, sheriffs, treasurers and comparable appointed officials in charter counties. WACO is a non-profit, nonpartisan organization. WACO is comprised of affiliate organizations for every executive level county official in Washington's 39 counties.

WACO is governed by a Board of Trustees consisting of 19 positions: the President, Vice-President, 2nd Vice-President, Secretary/Treasurer, the 2 most recent Past-Presidents, 1 member chosen by their respective affiliate (known as a trustee), and 6 positions as trustees-at-large based on their county category.

In the last calendar year alone, WACO has presented and passed legislation on behalf of the County Treasurers, Clerks, and Coroners – as well as laid important groundwork on several important policy initiatives for our Auditors and Assessors. In the same year WACO produced over 40 training videos, which have accounted for over 148 hours of total viewership; held management trainings that were open to all county employees at no fee; and produced amicus briefs on behalf of our members and counties.
